## **AUDITOR-GENERAL'S REPORT**

The Auditor-General presents this report together with the financial statements of the Tonga Office of the Auditor General (*TOAG*) for the year ended 30<sup>th</sup> June, 2021.

### **State of Affairs**

The Auditor General is the principal auditor of government, responsible for performing financial, compliance and performance audits of public funds. This includes the audit and reporting of results to the Legislature through the Speaker on the financial conditions of Ministries, Departments, Agencies, Public Enterprises and Development Projects: and for the review and approval of audited accounts of public enterprises that are audited by private firms.

### **Corporate Governance**

There is no separate bank account for *TOAG*, Ministry of Finance keeps all the bank accounts for all Ministries, Department and Agencies (*MDAs*). Therefore, the government accounting system is centralized in the Ministry of Finance. The *TOAG* during this time used the current system for preparing the financial statements.

All *MDAs* are required to maintain copies of accounting records when payments are made. A monthly reconciliation of *TOAG* manual vote book against the Ministry of Finance is required to be carried out. Financial rules and instructions are set by the Ministry of Finance for all financial matters of the Government to be followed.

## **STATEMENT OF RESPONSIBILITIES**

The Accounting System of the Government of Tonga for all Ministries, Departments and Agencies (MDAs), including the Tonga Office of the Auditor General (TOAG), is centralized at the Ministry of Finance. Therefore, annual financial reporting for government as a whole is the responsibility of the Minister of Finance. However, due to the requirement of Section 33 of the *Public Audit Act*, the TOAG prepares annual financial statements based on International Public Sector Accounting Standards (IPSAS) as if it is a legal entity by itself separate from Government. The TOAG believes this is a good practice, and should be a way forward for all MDAs to prepare their own annual financial statements as part of their annual reports.

We accept the responsibility for the integrity of the financial statements of the TOAG, their contents, their compliance with the *Public Audit Act 2007 (as amended)* and IPSAS Cash Basis.

In my opinion the information set out in the financial statements and attached notes to those statements fairly reflect the TOAG financial results for the year ended 30<sup>th</sup> June, 2021.
